Activities, Employment,
& Daily Living Skills
Development

Assistance for individuals
with community barriers.

Activities

HarvestWorks is located on Aunt Marilyn's Farm in the heart of scenic Cleveland County. Aunt Marilyn's Farm is a working farm that offers diverse learning opportunities through various activities.

We pride ourselves on providing the highest level of service to our clients. It is our mission to enrich and enhance the lives of individuals who are developmentally disabled. We achieve this through a variety of activities such as:

- Recreational Activities
- Recreational Therapy
- Community Outings
- Personal Goal Development
- Skills Training
- Arts & Crafts
- Volunteer Work
- Independent Living Training
- Agricultural Work
- Wheelchair Accessible Playground

Facilities

HarvestWorks **activity center** and **administrative offices** are surrounded by 20 acres of beautiful countryside which include:

- Country Store
- Restaurant
- Greenhouses
- Wheelchair Accessible Playground
- Goldfish Pond
- Walking Trails
- Picnic Areas
- Vegetable & Herb Gardens

At HarvestWorks the individuals we serve are called Participants. Based on their needs, Participants may be working on the Farm, in the Kitchen, in the Community, on basic living skills, interpersonal skills, communication, nutritional well-being, structured daily activities such as arts & crafts and games, or other personal goals.

Services

Our highly trained and supervised staff work closely with the Participants we serve. We provide the following services:

- Developmental Therapies
- CAP-MR
 - Home & Community Supports
 - Day Activity
 - Respite
 - Personal Care

HarvestWorks receives referrals for Services from Targeted Case Management companies. If you or someone you know may need these types of services and they do not already have a Case Manager then call Pathways Access at (800) 898-5898.
